

## Want To Sing In A Holiday Concert? You Can If:

- ☐ You LOVE TO SING!!
- ☐ You're a male, middle-school age or older
- ☐ You regularly attend rehearsals starting in July through December
- ☐ You memorize a small number of songs and learn others to sing using music

The Music Men Chorus performs a cappella (NO ACCOMPANIMENT) 4-part, close-harmony songs arranged Barbershop style. We are offering a low-cost, no obligation chance for interested male singers to see if they enjoy singing a cappella music with a dedicated and fun men's chorus.

- ☐ No formal audition, just a simple voice check to place you in the right voice part.
- ☐ We provide sheet music, access to audio learning tracks, and weekly rehearsal agendas to help you in learning the music.
