## Facts About the Music Men Chorus

**What:** The Music Men Chorus (formed 65 years ago) is part of the Barbershop Harmony Society of America.

**Who:** The chorus is made up of men of all ages and walks of life that have one thing in common: We love to sing... especially four-part a cappella harmony, in the style of barbershop music, to appreciative audiences.

**Let Us Sing for You:** The chorus is available for many occasions. We have sung as general entertainment for Holiday events (e.g. Christmas, Veterans Day), special interest groups, Singing Valentines, Birthdays, Club Meetings (e.g. Rotary, Elks), Church Events, Retirements and other special recognition events. Concert programs consist of songs from traditional Barbershop music, Golden Oldies, Broadway Musicals, Patriotic songs and other more contemporary music. We perform at many different locations including Libraries, Churches, Senior Centers, Assisted Living facilities, City events, HOA's, and other events/locations where there is room for us to sing as a chorus (and smaller settings such as homes for one of our quartets/ensembles). We simply enjoy singing!

**Join Us in Singing:** For those interested in singing, our rehearsals are held Tuesday evenings at 7 pm at the San Marcos Senior Center located at 111 Richmar Ave, San Marcos, CA 92069. And as one of our chorus members said "I never knew I could have this much fun singing and now my Tuesday nights are NEVER boring!"
